What's in a Name ? and Harry stood chattering in the corner of a ball-room. Charley," said the latter, "your ittle Ellen got safe to New York. I saw her there last week looking like a "I dare say," returned Charles, "for I hear Osborne is so happy in his new possession, that he spared no expense to set her off to the best advantage."

"Tis true enough, and I sometimes seed from which will spring a new crop of weeds.

wonder how you made up your mind crop of weeds. "Oh! I'm going to be married, you know, and young ladies don't tolerate any rivals near the throne. In fact, I expect to find happiness enough at home."

What Good Reads Bo.—An exchange in ly may: "Good seeds benefit every one in ly may: "Goo

expect to find happiness enough at home."

"An! very fine, but I should not wonder if, before long, you were for getting your beauty back again."

"May be," said Charles, shrugging his shoulders. "Nous ver rons."

"And a two word for his shoulders. "Nous ver rons."

"And been an involuntary listener, hastily retreated. The next morning produced the following "correspondence."

No. 1.—I take of early opportunity to request that our engagement may he considered at an end from this time. Your principles would destroy all chances of happiness with you, even if the insulting manner in which you give the resolution I have now combetted repeat assistance on his back, and the other his lather, showing by the ach have allowed yourself to refer to our confiction were not sufficient to produce the resolution I have now com-

have allowed yourself to refer to our conhection were not sufficient to produce the resolution I have now communicated.

JULIA.

No. 2.—I am entirely at a loss to comprehend the meaning of your note, and until you can give me a clearer idea of what I am accused it is impossible to me to defend myself. I healts, No. 3.—You ask my meaning. Ah: Charles, why add hypocrisy to your own faults? If your conscience does not accuse you, perhaps it may be enough to mention to you the name of Osborne.

JULIA.

No. 4.—I am more than ever pursel, I have a pursel, I heart and the was when I sold him my yocht. Pray let me know what you do mean. Charles, what a fool I have been! Come to me directly, and I'll tell you—I can't write it. Your own.

The two lobus—A Moral Tale—How

The two Johns I Moral Tale-How Two Honest Men Prospered. Ward. The last name of one begins H. S. with a G, and the surname of the other commences with a C. They are thums. They are chume. They are very sharp men, very; but, as Marc Anthony said in a very; but, as Marc Anthony said in a peculiar way, they are both "honorable men." They were not long ago in a very unusual condition known as "haid up." but by industry and integently they have achieved a little competency. Thus:

C. met G. one day in a bar-room, their usual resort. It was a temperance bar, of course. Said C.:
"Old how, we're dreadful hard up.

"Old boy, we're dreadful hard up, at I know how to make a raise; sure Go;" said G.; "honor bright? I haven't anything more to take to my incle, except a paper collar, and my andlord's dunning me. Well, really,

now T'
"Yes," replied C.: "this is the plan:
I've found a man fool enough to lend next week at Saratoga. We'll go.
There'll be the heaviest kind of odds
bet on Longfellow, of course. I'll
back Helmbold and you'll be stakeholder. After the first bet you give me the stakes and I'll bet the whole int; make you holder again, bet and so on. Then we suddenly and divide the whole pile. and divide the whole pile. Of every description kept on hand or manufactured to order. My Carriages, Ruggies, Spring Wagons and Sleighs are made of the best material, and are equal in style to the

\$5,000 in his possession, then they thought it convenient to leave before ng the race they were coming to New ork at the rate of thirty miles an our planning to rusticate until the latest and most valuable in my vehicles, and I hour, planning to rusticate until the affair blew over. When they came out of the Hudson River Railroad depot the first news they heard was that Helmbold had won! They were not notonished, perhaps—at least not more so than everybody else. They land fairly won their money! They were

honest men and need not run away. SARVEN'S PATENT WHEEL They didn't. Virtue is its own re-Giving Away Thirty-Eight Farms. Mike Kitterman, is an old, indu trious and prosperous farmer, living near Tiskiwa, Illinois, and is well known in that part of the State as a heavy land owner and extensive cheep raiser. Mr. Kitterman arrived

nois in 1830, from Kentucky, with something less than \$10 in his

pooket. He was then twenty-six years of age. He wanted to cross the river at Peoria, but as the ferryman sked \$4 for the privilege he journeyed slong up the river on horseback. Finlly he discovered a log by the side of the river, and, getting astride of it, he held the horse's bridle in one hand and paddled bimself across with the other. He camped on the prairie, and where he now lives, and determined cht over 3,000 acres of land, and teed. He has given away thirty-ight 80-acre farms to his children and tives, and they are all located WATER con him. As a stock raiser he has ket. In the last ten years he has IME, posss. He has now on the place over 200 head of cattle, 170 head of hogs and 70 of sheep. He says his experience of forty years' farming in Illinois teaches him that it is far more profit-VANKEE NOTIONS, and by following up this rule he has de a large fortune. Mr. Kitterman is now about 78 years of age, and is in the enjoyment of good health, as well

Repairing

MRS. L. S. GIBSON,

attle which were being driven from he mountains, where they were rais-d, to market, and on the way they ame to a bridge over a river. The ridge had a roof, and was boarded up at the sides. The sun was shining through the cracks and knot boles, and ng on the dust inside the bridge, just as you have often seen them inside a room when the sun shines in and the ost has been stirred. The steers were rightened. They could not go to her aide, for a fence prevented. The vers cracked their great whips, and suled at them, and whipped the idermost ones, and made them set those in front up to the very enling of the bridge. Finding they ld not turn back astride, those in mi started with a snort and rur abling all over from fright, and behaver they came to the sunbeams, we so leap and jumped right over tem. So the whole herd ran through, Patronize Home Institutions and did not get over the scare for a long time. How often are men and women troubled and frightened by imaginary obstacles, which are not JOSEPH YEAGER

In California, when the diggings were paying well, Signor Biltz visited a guich and exhibited his legerdomain. During the performances, he took his handkerchief, threw it into the air, raught it again, when he took a one promptly and neatly. Call and leave twenty dollar piece out of it, asking your mesure. JOSEPH YEAGER. Pete, a "Forty-niner," who had never changed his shirt since he came into the diggings, immediately went upon the platform, took off his shirt, dipped the the tail of it into a bucket of water held it up, and wrung out \$36 50 in gold dust including fifteen pounds of subsoil. Blitz took the next mule train.

able to feed grain than it is to sell i

Jumping Over Sunbeams.

On Tuesday afternoon, Henry Yates, a brother of the United States Senator Yates, who resided in Berlin, Ill., committed aulcide by taking strychnine.

After taking the poison he sat down with his family as usual, and fondled the children, finally arose and told them what he had done, and soon after went into convulsions. He, however, bid them all good bye before he close.
